Direct Limousine has truly been a great find!

Impeccably clean, modern as well as equipped with everything you would want in a limo.

Always on time, hot coffee waiting and a warm smile is what we see and have grown accustomed to. Spoiled? I say yes. When you are treated so warmly, you always look forward to the next time you have the opportunity to “ride in style”.

Privacy and the special touches are what make us refer to “Sam” the owner as Our Driver”.

We highly recommend Direct Limousine and look forward to many more years of business.

Sincerely Susan and Steve Pollard
